PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to

be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall, in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill

during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

C. J. BENSEN.

DOMINION ORDERS IN COUNCIL.

P.C. No. 1781.

CERTIFIED COPY OF A REPORT OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY THE DEPUTY OF HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 7TH SEPTEMBER, 1922.

THE Committee of the Privy Council have had before them a report, dated 8th July, 1922, from the Minister of the Interior, submitting that Mr. F. J. Bell acquired at public competition in 1907 Licensed Timber Berth No. 507, situated in the vicinity of Coquitlam Lake, in the Province of British Columbia, the berth comprising an area of 6,812 acres, for which he paid a bonus of \$13,344. Mr. Bell assigned his interest in this berth to Messrs. R. R. Hall and William Irwin, of Peterborough, Ontario, in 1909, who are the present licensees.

The Minister further submits that the City of New Westminster takes its water-supply from Coquitlam Lake, and the Vancouver Power Company has constructed a power-dam on Coquitlam River at the outlet of the lake, using the lake as a reservoir. With a view to preserving the waters of the lake from contamination and to regulate the supply of both the City and the Power Company, an Order in Council was passed in 1910 establishing the Coquitlam Conservation Reserve, which covered the watershed of the lake; and in this connection an agreement was entered into in 1913 between the City of New Westminster, the Power Company, and the Crown. Messrs. Hall and Irwin claim that by reason of the foregoing action they are prevented from taking the timber off the northern portion of their Timber Berth 507 (comprising approximately 4,256 acres), and now make an application to be granted other timber in lieu of that contained in their berth, advancing the following in support of their application:—

That they were advised by the Mayor of New Westminster that if any attempt were made to remove timber from their berth into Coquitlam Lake, he would apply for an injunction restraining them from doing so:

That the Mayor took the ground that the City had the right to preserve the purity of the water of the lake, and had also the right to preserve the timber upon the lands within the reserve:

That the Vancouver Power Company had erected a dam across the Coquitlam River, at the outlet of the lake, without a sluiceway for the passage of logs, and has diverted some of the water from the Coquitlam River, thus, they allege, preventing the licensees from bringing their logs down the river:

That the Power Company and the City both contend that the agreement entered into with the Crown legally binds each not to permit any timber to be cut within the reserve:

That the Vancouver Power Company contends that its dam was erected under plans approved of by the Government, and consequently they are not

bound to make any provision for the flotation of logs down Coquitlam Lake and River.

In December, 1915, the solicitors of the City of New Westminster protested against any logging operations being permitted on the reserve, and claimed that under the agreement the Crown was bound to preserve the timber on the reserve for the protection and conservation of the supply of water to the City, so that its purity might be maintained.

Over two years ago Messrs. Hall and Irwin claimed that they should be compensated, as the agreement entered into by the Department prevented them from taking advantage of the rights to which they were entitled by virtue of their licence. Numerous conferences were held, and it seems to have been suggested in the summer of 1920 that they might look over other timber lands as a possible exchange for Timber Berth 507. Accordingly in the summer and autumn of 1920 they made a cruise of some timber lands, and under date October 19th, 1920, forwarded a definite request for the reservation of lands on Fifteen-mile Creek in order that they might there make part of their selection of timber to be conveyed to them in lieu of that of Timber Berth 507. The reservation was tentatively made in the departmental records and they were advised to that effect.

It may be observed that, including the original sale price, Messrs. Hall and Irwin have paid to the Department of the Interior on account of Timber Berth 507 a sum approximating \$50,000, including ground rentals, fire dues, etc. Moreover, they have submitted a statement in which it is set out that, including the cost of cruises, surveys, legal fees, and interest, their total expenditure on the berth to date approximates \$130,000.

With a view of removing the possibility of litigation arising among the parties interested, and without admitting that the acts complained of were not within the authority of the Crown, notwithstanding the issuance of said lease, the Minister recommends that upon the licensees reconveying Berth No. 507 to the Crown, they be allowed to select in lieu thereof other timber of equal value on available Dominion lands.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) RODOLPHE BOUDREAU,
Clerk of the Privy Council.

To the Honourable
The Minister of the Interior. 4575 se21

Provided, however, that no package containing any shipment of nursery stock or plants so imported shall proceed to destination or be opened without written permission from the Inspector, his assistant or agent.

moves any such mark or brand shall be guilty of an offence against these Regulations.

(11.) In case any fruit or vegetable products should develop or become infected with any pest subsequent to the inspection thereof, the same shall be subject to reinspection by the Inspector, and to be dealt with in like manner as provided in these Regulations in respect of the first inspection thereof.

(12.) In the event of such product as rice, corn, peas, beans, or any other stored products being infested with any injurious pest, the Inspector may direct that the same shall be fumigated under his supervision. The same shall apply to any other vegetable products, subject to the discretion of the Inspector.

(3.) No such infected or infested vegetables shall be removed, sold, disturbed, or otherwise disposed of until the same has been dealt with to the satisfaction of the Inspector. Every person who violates the provisions of this subsection shall be guilty of an offence against these Regulations.

(4.) For the purpose of inspecting any vegetation or any package used to contain any fruit or vegetable products, or any premises suspected of being infected with or harbouring any pest, the Inspector shall have full power and authority to enter into and upon any premises; that is to say, any farm, orchard, nursery, garden, barn, warehouse, storehouse, shop, building, or other premises whatsoever.

(5.) In case the Inspector, upon inspection thereof, finds any such vegetation, package, or premises infected or infested with any pest, he may:—

(a.) By notice in writing order the owner, lessee, occupier, or person in charge of such property or premises to treat the property and premises in the manner and within the time prescribed in the notice; or

(b.) By notice in writing order the owner, lessee, occupier, or person in charge of such property or premises to forthwith effectively destroy by any available method any such vegetation or package whenever the Inspector deems such destruction necessary to prevent the continued existence or spreading of the pest.

After an order has been made under this subsection no person shall remove any such property from the premises without the written permission of the Inspector. Every person who violates any provision of this subsection or who, being required by any such order to perform any act under this subsection, refuses or neglects to fulfil and carry out the same in accordance with the terms of the order shall be guilty of an offence against these Regulations.

(6.) In case any order made under this section is not complied with and carried out within the time specified in the order, and if a copy of the same was at the time the order was made posted up in a conspicuous place on or near the premises whereon or in respect of which the order is intended to take effect, the Inspector may, by himself, his servants, agents, or workmen, enter into and upon such premises and carry such order into effect and fully execute the same by any available method, subject to the provisions of Part VII. (7.) A duly authorized Inspector, upon the discovery of a dangerous pest or disease, and confirmation of the same by the Entomologist or Plant Pathologist respectively, may quarantine the suspected area in which such infection is located for such a time as will permit of adequate inspection being made, and shall report his action immediately to the Board; should such disease or pest be in a

dormant or undeveloped stage when discovered so that proper inspection is not possible, the Board may cause such quarantine to remain in force until adequate inspection has been made.

(8.) Where an infected or infested area is under treatment for the eradication of a disease or pest, the Inspector in charge may establish a zone surrounding and contiguous to the area actually infected or infested, in which shall be carried out such measures as the Inspector shall prescribe to prevent the spread of the said disease or pest beyond the area already infected or infested.

(9.) Fire-blight infected trees shall be cleaned up during the dormant season by the proper cutting-out of all blight-cankers. This work shall be completed to the satisfaction of the Inspector on or before March 31st. Blight-infections occurring during the growing season shall be dealt with as the Inspector shall direct.

(10.) No person shall in anywise whatsoever hinder or obstruct the execution of any such order.
